

Dear Campus Care Parents,

This year we will be continuing to offer Homework Club for students after school as part of our Campus Care program. This will be a supervised time for students to complete their homework or other class work in the library where help will be available if your child needs it. Students will be reminded that this is their opportunity to complete schoolwork and to not treat it as a "social" time. We ask that you reinforce this to your child(s) as well. Homework Club will be offered Mon-Wed and sometimes on Thurs. depending on demand from 3:00 – 4.30pm). If you are interested in participating in Homework Club for this quarter (August-October), please fill out, detach and return the form below to Campus Care. We won't begin Homework Club until the second week of school. If you have any questions in regard to this please contact me at 435-0700.

Warmly,
Kim Boyer
