August 2006

A letter to All Parents,

You, as St. Anthony's Parents, make tremendous sacrifices in order to provide a Catholic education for your children. Included in this is your willingness to give up the convenience of the public neighborhood school. We know the "mad dash" that takes place every morning and afternoon as you struggle to deliver and retrieve your students to and from various on-campus activities and sports. As veteran parents, we can tell you firsthand that children do come to realize and appreciate all your efforts, and those of us who have grown children long for the "shuttle service" days.

The administration has a deep concern as more St. Anthony's students are sent to school early and remain after school being signed in to our Campus Care program which provides for their safe supervision. We are a large student body in somewhat small quarters, and we are located on a busy and highly visible corner of our city. It is for their safety that the following policies be strictly Adhered to:

1. Students dropped off before 8:00am will not be allowed to wait outside the glass doors, in bushes, or in parking lots. Alls students will be checked into the Social Hall. The fee is \$5.00 a day per child.* Fees will be billed on a monthly basis.
2. Your child's school day ends at 2:50 pm. We provide two teachers each day to supervise students in the Church parking lot until 3:10. Even the most "methodical" or most social of our students should be able to get to their rides or the playing fields within 20 minutes. If you are on campus for scrip or parent-teacher conference, please collect your children first.
3. After the second dismissal bell at 3:10, remaining students will be escorted to the Social Hall and their names placed on a drop-in roster by Campus Care staff. A charge of \$5.00 per child will be billed.* Please adhere to this practice for the safety of your child (no hiding in the bushes, walking to the Church, etc.). This will be billed monthly.
4. At 3:30 remaining students will be charged an additional \$5.00 fee for drop-in (total of \$10.00 per child).
5. Even if your student has on-campus sports at 4:00, arrangements must be made so that students are supervised at all times. We encourage you to reach out to one another and get to know other parents for reciprocal transportation.

If every avenue has been exhausted, please contact me in writing and we will make every effort to assist you. St. Anthony's is a community of families who help one another. Campus Care is provided for our children who are with us before and after school hours.

Thank-you for your commitment and cooperation. God Bless our students.
