

General Information for St Anthony's Laptop Program 2010-2011

Support for REQUESTED / SUPPORTED laptops:

- Full support will only be given by the school if you have purchased one of the **requested class/approved models**. (These models are on the backside of this page)

Support/Repair for NON-APPROVED laptops: (Must have Windows Vista or Windows 7)

- All laptops that are **not** one of the approved models (on the 2nd pg) will be outsourced and there will be a **\$100** charge for setup the first year and an **\$80 fee** for the second year.
- Also, please understand if your laptop crashes and it is not one of the approved models you will have to send it in to be reconfigured and it will be another **\$80 fee**. If you have any problems during the year, it will be your responsibility to call for service if you have a non-approved laptop. Elephant Boy Computers bills at \$40 an hour. **559-435-1224**
- **Mac Setup** is also \$100 per year (you must also purchase Windows 7 Home Premium Full not Upgrade and have OSX 10.5 or higher installed)

You need a 512Mb or larger USB Pen Drive:

These pen drives are **mandatory** and are available at any local Office Max, Best Buy, etc. and cost about \$15.

Where can I get insurance? - St. Anthony's is NOT responsible for lost or stolen laptops.

If you would like further information, please contact Student Insurance Group at **800-620-3307** or **<http://studentinsurancegroup.com>**. Coverage includes: accidental damage, theft, natural disasters, water damage, fire, and power surge. (This is great for theft but not necessarily great for accidental damage.)

Mandatory warranty for your laptop:

Please be sure to get at least a 2 year parts, labor and accidental warranty with your laptop from the manufacturer. Apple Laptops or older laptops can be warranted through the following company. Student Insurance Group 800-620-3307 or <http://studentinsurancegroup.com>. Coverage includes: accidental damage, theft, natural disasters, water damage, fire, and power surge.

Software:

You do not need to purchase any extra software for your computer while you are at SAS. We will provide licenses for all the software you need while at SAS.

Internet Filtering and General Computer Repair and Maintenance:

Elephant Boy computers can be a great resource for your home or business. They can help with any of your computer needs including filtering (OpenDNS) your home internet and/or wireless networking.
559-435-1224

Important Dates:

- If you are going to Rent, the school needs to know by **May 30, 2010**.
- Laptops must be dropped off to the school office between **July 15th and August 1, 2010**.
- When you drop off your laptop please include any passwords and your charger. Please clearly label the laptop and charger.
- Any Laptops that are turned in LATE will be outsourced and subject to the \$80 setup fee even if they are a supported model.

Requested Models this year:

*** **(ONLY THESE MODELS ARE SUPPORTED BY THE SCHOOL!!!!)*****

(If your laptop is not on this list it will be outsourced to be configured /repaired and you will be charged accordingly)

Small Business - Web Site: or

Mitchell Walters 1-800-456-3355, ext 9460922

- Dell Vostro 1014
- Dell Vostro 3400
- Dell Latitude E6400 or New E6410
- Dell Studio XPS 1640

All supported laptops need to have:

- #1 - Intel Processor / CPU
- #2 - Windows 7 Home Premium or higher

Give your laptop some color - <http://dell.skinit.com/>

Apple Computers (not supported - but can be used) (please read)

MacBook 13" – with OSX 10.5 or greater.(this laptop must be configured by Elephant Boy Computers. They charge \$100 each year and you must have a valid copy of Windows 7 Home Premium Full – not upgrade) (My other major concern about using an Mac laptop is that Apple does not offer an accidental warranty while Dell offers this type of protection.)(For security reasons you must run Windows 7 while on school grounds)

Laptops should have the following MINIMUM requirements:

- CPU Processor, at least Dual 2.0Ghz
- Built-in wireless
- 2 gigs of Ram
- Windows 7 Home Premium
- 80 gig hard drive

RECOMMENDED System requirements:

- 3 gigs or more Ram
- Built-in wireless
- Intel Processor / CPU
- Windows 7 Home Premium
- Nvidia or ATI video card

Check this web site for big savings, it changes everyday:

- <http://www.techbargains.com> - search for Dell
- Also go to dell.com and then go to Small Business, then Laptops, then Laptop Dell Deals

Rental Laptops Information

- Rental Price = \$40 a month for 10 months or \$375 for the school year if paid in a lump sum by June 3, 2010.
- Rental laptops must be returned to the school during Christmas.
- The school does **not provide insurance that covers lost or stolen** laptops.
