St. Anthony's Courtyard

"A Gift Stamped in Time"

A Commemorative Courtyard Brick makes a wonderful gift for someone special and supports St. Anthony's Endowment Fund.

The Commemorative Courtyard raises revenue on a continuing basis to increase the Endowment Fund. This is accomplished through the sale of bricks which are placed within the Courtyard. These bricks sell for $100 each. Anyone who purchases a brick may designate a family, individual name or message to appear on the face of the brick.

You are invited to participate in this latest setting of Commemorative Courtyard Bricks by returning your donation and this order form. The Courtyard Committee would like to thank all supporters to date for their contribution to the beautification of our School Courtyard and for your past and continued support of this project.
